VOLUME 13, NUMBER 4

JULY • AUGUST 1995

SADDLE UP FOR STURGIS!

The Eagle has Landed!!! That's right. The much anticipated arrival of my 1995 FXSTSB Bad Boy has finally come to pass and I feel great about it. So, many thanks to all those who helped make it possible.

Okay, now for the real stuff. By the time this issue of **Hog Tales** is in your hands, we'll be about halfway thru the 1995 Rally season – and what a season it's been. But, facts are facts and Reno and Rapid City are coming up fast. I can assure you the HOG Staff is ready and we hope you are too; if you're not, all the details are within these pages. If you can't get to Reno or Rapid City, there's plenty of other destinations on the calendar, from chapter events to rallies abroad.

Also in this issue, a word from Mike Keefe, Director of Harley Owners Group, a WWII Vintage Motoring on Memory Lane, and a collection of member photos that is as diverse as it can get. Additionally, on pages 26 and 27 we're featuring the new faces working to keep the wheels of the Harley Owners Group turning. Don't forget to introduce yourself when next you see them at a rally.

Ride safe,

Michael W. Telesco

FACTORY FACTS

MIKE KEEFE DIRECTOR OF HARLEY OWNERS GROUP

First, let's get the personal stuff out of the way. I've been with the Motor Company since 1984, as advertising manager (1984-89) and director of marketing (1989-93). Before moving to Milwaukee, I hid out at a couple of large advertising agencies in Detroit. Prior to that, I made an honest living as a carpenter.

I started riding in 1967 on a BSA Lightning Rocket. I moved up to a Harley in 1969 and I currently own and cherish a '91 Dyna Sturgis.

I feel privileged to ride as often as I do as director of H.O.G. I don't give much credence to interstates or destinations, unless I'm going home. I believe in curvy back roads, one-horse towns and greasy spoons with blue plate specials. Put simply, the journey is the whole point for me.

On my journeys, I meet many H.O.G. members with just as many questions. One question I hear often is, "What do I get for my membership dues?"

The easy answer is to say that you get a lot of benefits that, monetarily, add up to way more than the annual dues. But the answer isn't that simple and it's a lot more fun.

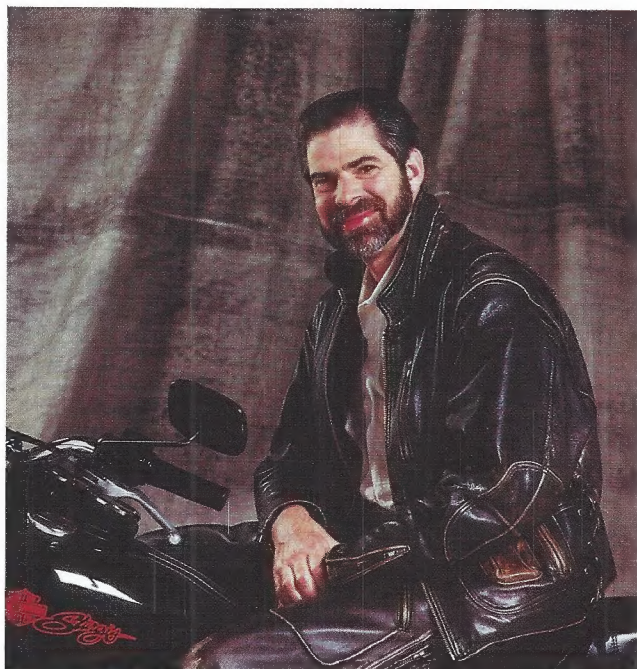

H.O.G. is what you make of it. Your membership provides access to a worldwide network of fellow enthusiasts who would like nothing better than to buy you a cup of coffee and show you around. For me, it's comforting to know that there is a H.O.G. member almost everywhere. Wherever I travel, I can find someone

who speaks my language – a language expressed with FL's, XL's and FX's.

The resources that H.O.G. provides are convenient, but, more than anything, they clear the road to experience life. Plan a trip to the North Cape of Norway or the Florida State Rally. When you ride, you're riding with the largest motorcycle club in the world, even when you're riding alone.

Above all, H.O.G. creates a language for you to express your own spirit of adventure. It is the language of the wave to a passing Harley, thumbs up to kids in the car in the next lane, and the silence created by the awe of a natural wonder. H.O.G. provides an outlet for the part of you that looks for open spaces and unfamiliar territory. Take advantage of it.

Next time you're planning a trip, call the local dealer, ask about the chapter and stop by. Use the resources that H.O.G. offers and devour the information provided in **Hog Tales**. The information is organized to help you plan. It is created because we love to ride as much as you do. ●

CENTRAL REGIONAL H.O.G. RALLY

RAPID CITY, SD
AUGUST 5-7

Whether you ride with the group on this year's Run to the Fun (see page 8 for details) or find your own way to the Black Hills, you won't want to miss the 1995 Central Regional H.O.G. Rally in Rapid City, SD. Combine two great adventures – the H.O.G. rally and the Sturgis Rally and Races – for a vacation to remember!

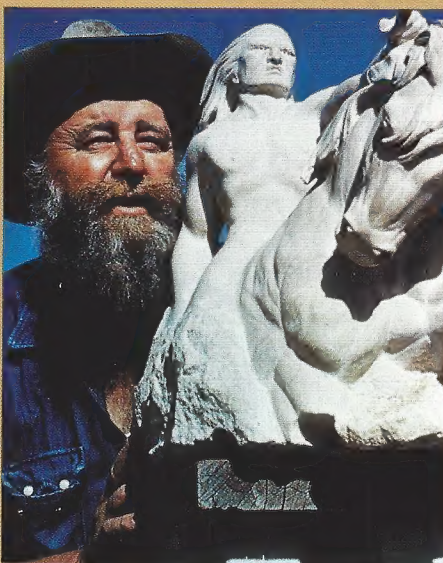

All your favorite rally activities will take place at the Rushmore Plaza Civic Center. Informative seminars, including motorcycle maintenance, will be conducted daily. Along with the "tried and true" Slow Race and HOG Dog Bite field events, try your luck at some new ones like Cycle Socks – and even one for sidecars, Blind Man's Bluff.

Another new feature at this year's national H.O.G.* rallies is the addition of "Lucky Rally Winners". All rally-attendees are automatically entered in drawings for some great prizes.

In addition to the activities that happen at all 1995 rallies, members attending the Central Regional Rally will enjoy the riding that only the beautiful Black Hills area can offer. The Poker Run and Self-Guided Tours will take you through Sturgis, Deadwood, Needles Highway, and Custer State Park to mention just a few of the wonderful sights.

"My fellow chiefs and I would like the white man to know the red man has great heroes, too." Sioux Chief Henry Standing Bear wrote those words in late 1939 to Sculptor Korczak Ziolkowski, inviting

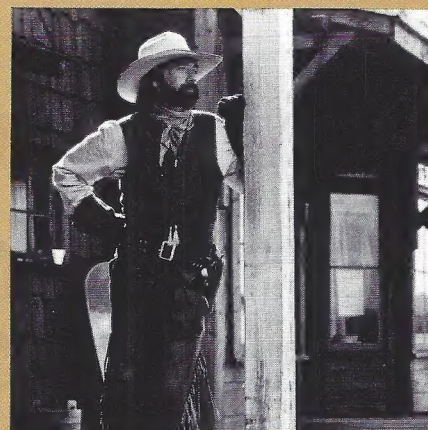

him to the Black Hills to carve a mountain memorial to Crazy Horse. Today you can see the progress that Korczak and his family have made. You are invited to visit the monument and museum. Your rally wristband will serve as your free ticket.

What better location than Sturgis for the site of the National Motorcycle Museum & Hall of Fame! The museum displays a wide variety of vintage motorcycles, including Indian, Ariel, Royal Enfield, BSA, Triumph, Norton, Excelsior and, of course, Harley-Davidson! Your rally wristband will serve as your free ticket.

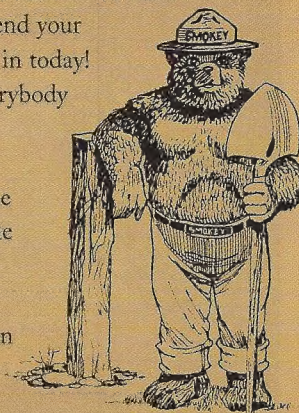

Entertainment will range from Blues to Texas swing, from golden oldies to classic rock 'n roll. There's something for everyone.

Recording star Michael Martin Murphey will be featured at the Rally Farewell ceremonies. You will also be treated to a sneak preview of the Harley-Davidson Indoor Show, featuring the 1996 new model line. **You must show your rally wristband to be admitted to this exclusive event.**

Be sure to send your pre-registration in today! Word has it everybody wants to go to Sturgis. In fact, even Smokey the Bear will join the list of special guests and Harley-Davidson executives at the event.

YOUNG RIDER ACTIVITIES

In addition to all the regular rally activities, Young Riders will enjoy a variety of fun-filled activities designed just for them. Play in the Park will include a moon walk and giant bubble-making. Fun in the Young Rider Activity Room will include: games, movies, cartoons, art projects, and a "sucker toss". There will even be special seminars for Young Rider attendees. Learn how to make balloon animals or join the Central Rally Kazoo Band. Lindy Lee will teach you how to make your own instrument, and then you'll learn how to play it!

◀ *The Miami Chapter has formed the first and only known chapter motorcycle drill team. In 1992 the chapter started a Rider Skills Program, which focused on skills taught in the Motorcycle Safety Foundation course. Practicing what they learned, they evolved into the drill team they are today. See them perform at the Central Regional Rally.*

STURGIS: A BLACK HILLS CLASSIC

RAPID CITY, SD
AUGUST 8-12

Members can enjoy fun and hospitality at the Rushmore Plaza Civic Center in Rapid City at 444 Mt. Rushmore Road. Harley-Davidson® is an official sponsor of the Black Hills event, which is scheduled from Tuesday, August 8, through Saturday, August 12. A fun-filled schedule has been put together for enthusiasts. So be sure to stop by to pick up your copy of the H-D® Activities Guide.

INDOOR SHOW

The Indoor Show, located at the Rushmore Plaza Civic Center, will be open to the public Tuesday through Friday from 10AM-6PM and Saturday from 10AM-4PM. The 1996 Harley-Davidson models, the latest in Genuine Parts & Accessories and the new MotorClothes® will all be on display at the Indoor Show. Admission is free, and commemorative show pins are \$2 each at the MDA booth. (All proceeds benefit MDA.)

HARLEY-DAVIDSON TRAVELING MUSEUM

Classic Harley-Davidson racing motorcycles and exhibits will be displayed in the newly remodeled traveling museum in the Civic Center parking lot Tuesday through Saturday. A donation to MDA is requested.

DEMO RIDES

The complete 1996 line will be available for test rides at the usual location in Sturgis: The Super 8 Motel at Exit #30 from I-90.

Registration is from 9AM-3PM Monday-Saturday. Once you've signed up, you can ride various bikes all day, so come early. (No demo rides if the roads are wet.)

SEE ELVIS' FIRST HARLEY

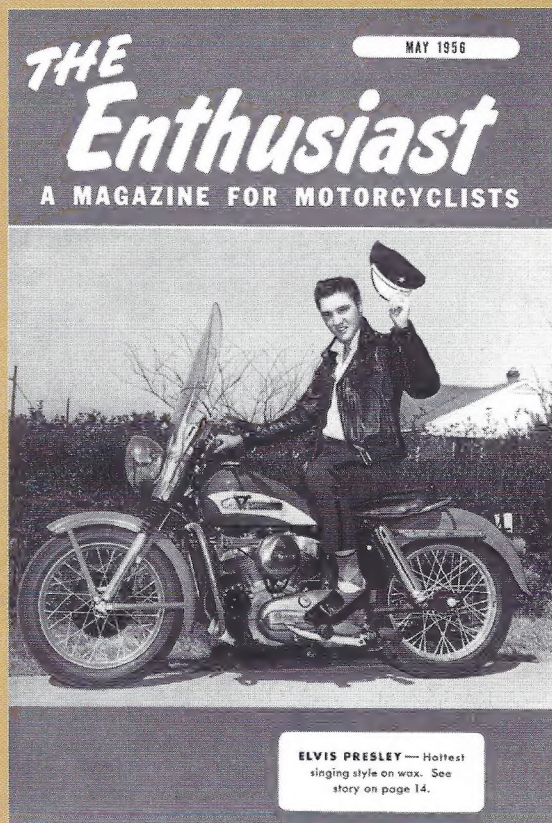

In 1956, Elvis Presley purchased his first of many Harley-Davidson motorcycles. The Motor Company has recently acquired the pepper red and white KH and will display it at the Indoor Show at the Rushmore Plaza Civic Center in Rapid City.

HOG MALL

The HOG Mall will be set up in its same convenient location, in the lot of the Rushmore Plaza Civic Center. You're invited to stop by and enjoy a wide variety of great vendors.

MOTORCYCLE SKILLS CONTEST

All Harley-Davidson riders are invited to participate in Motorcycle Skills Tests. These tests will be conducted in the parking lot of the Rushmore Plaza Civic Center on Tuesday, Wednesday, Friday and Saturday. Prizes will be given away each day for those with the best scores. See activities guide for times.

ELVIS PRESLEY — Hottest singing style on wax. See story on page 14.

STURGIS T-SHIRT SALES

Stop by the Indoor Show to pick up your specially designed H-D Sturgis T-shirt and souvenirs.

DEALER RETAIL OUTLET

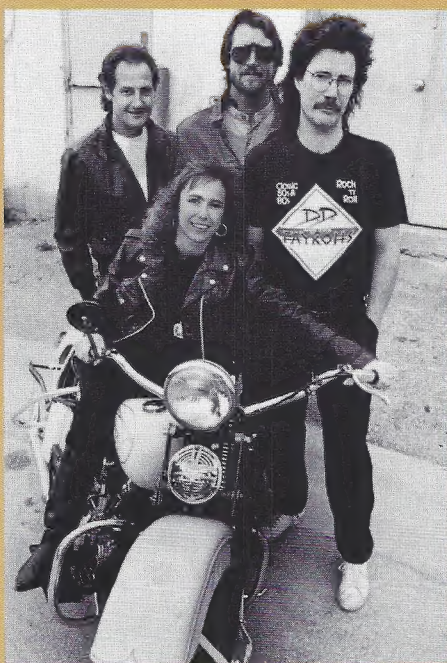

The Rapid City Harley-Davidson dealer will have a satellite outlet located at the Rushmore Plaza Civic Center for your shopping convenience.

SERVICE SEMINAR

Authorized Harley-Davidson Service Technicians from Milwaukee will conduct informative Service Seminars twice a day.

OUTSIDE ENTERTAINMENT

Enjoy classic hits from the 1950's and 1960's while you check out all those great bikes in the Ride-In Show. DD & the Fayrohs really know how to rock 'n roll.

RIDE-IN SHOW

On Thursday, August 10, you can enjoy the pride of showing your bike and pick up a unique 1995 Black Hills Classic memento, by entering your custom or antique Harley-Davidson in the Ride-In Show. Each bike entered requires a \$5

donation to MDA for which the entrant receives a commemorative dash plaque. General admission is free. Registration begins at 8AM and ends promptly at 11AM. Awards are presented at 4PM.

RIDE-IN SHOW JUDGING

All bikes must be ridden to the registration area. All participants may enter one class only. All vehicles entered in the LOH classes must have a stock frame for that particular model. Judging decisions will be based on a system of total points in each category and class as shown below.

Vehicles in all classes except Antique, Pro Sportster and Pro Big Twin must have a current street license. Antiques will be judged exclusively on their original or restored-to-original merit. "Pro" classes are designed for vehicles created by dealers, professional builders and other special interest entries where the amount of customization, as determined by the judges, is at a very high level and the emphasis on everyday street function is a lower priority.

CATEGORY

Street Function: Overall rideability, ergonomics and driveability.

Paint: Overall design, finished quality graphics and pinstriping.

Plating/Polishing: Finished quality, etching, balance of components chosen.

Engineering: Innovation, safety, performance, handling and braking.

Seat: Style, comfort, materials and other upholstered components.

Style: Overall impressions of vehicle, balance of components and finishes.

CLASS

1. Antique: 1903-1975, all H-D models
2. Sidecar: All H-D models
3. Custom Trikes: With any H-D engine
4. Full Dresser: FLT, FLH and FLHT touring models
5. LOH Sportster
6. Street Custom Sportster: XL series with stock frames
7. Radical Custom Sportster: XL series with structurally modified frames
8. Pro Sportster: XL series with stock or modified frames and rigid or rubber mounted engines

WESTERN REGIONAL RALLY

RENO, NV • JULY 13-15

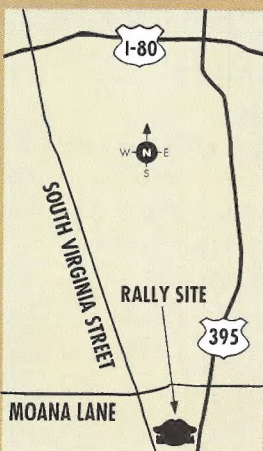

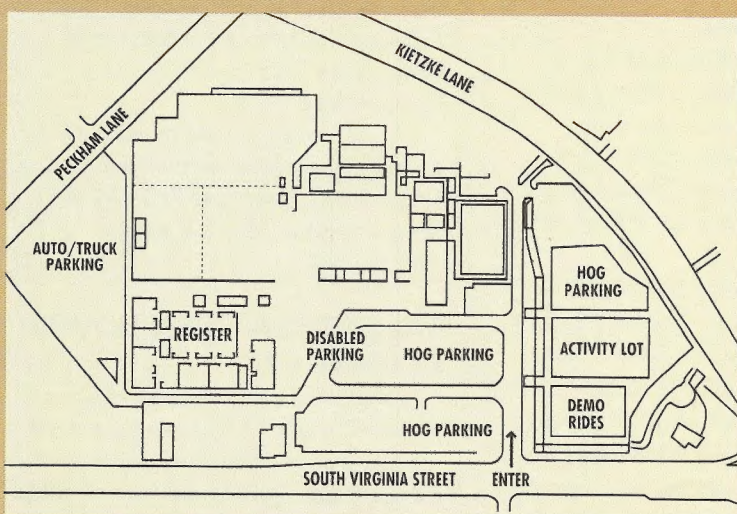

Whatever you're interested in, the action will be non-stop at the 1995 Western Regional Rally. You'll find seminars, entertainment and fun galore at rally headquarters: the Reno/Sparks Convention Center. The Rally Welcome will stage a real live "cowpoke" show, and the Rally Farewell will feature a rock 'n roll revue.

Self-Guided Tours will take you through the beautiful Sierra Nevada Mountain areas, Lake Tahoe and historic Virginia City. You'll even have a chance to stop at that famous ranch – the Ponderosa!

Your rally wristband also provides free admission to a major Reno attraction – the National Automobile Museum. And what would a trip to Reno be without testing your luck? Well, before you hit the casinos, you'll want to attend one or all of the Gaming Seminars. Each day this seminar will provide insight on a different game: Craps, Black Jack and Roulette.

After three fun-filled days, the rally will wind up with a bang, as we kick-off a big parade with fireworks, and end up under the arch in "the biggest little city in the world"!

It's no gamble... you'll have a great time in Reno!

▲ *Only motorcycles will have access to the HOG parking lots. A confirmation card or rally wristband will be required. All other vehicles will be directed to the Auto/Truck Parking area.*

◀ *Take Moana Lane exit off Hwy 395. The rally site is the Reno/Sparks Convention Center, located on South Virginia Street.*

COUNTRY CRUISIN'

TENNESSEE
AUGUST 23-25

SOLD OUT!

CHATTANOOGA
AUGUST 23

Get together with fellow "Country Cruisers" for a down-home barbecue at the historic Chattanooga Choo Choo! The big band sound of the Don Edwards Orchestra will make you feel like you've been transported to the romantic days when people crossed the country by train and "swing was king".

The Chattanooga Choo Choo is located at 1400 Market Street. Registration will be off the main lobby from 12-6PM. The music starts at 5PM with a social hour, and dinner will be served at 6PM.

PIGEON FORGE
AUGUST 24

H.O.G.® members will get together for an evening of food and fun at the popular dinner attraction, the Dixie Stampede, a Dollywood production. The 8:30PM show will be performed exclusively for participants of the Country Cruisin' Tour.

If you're joining the tour in Pigeon Forge, stop at the Grand Hotel from 4-8PM to pick up your rally package. The Grand Hotel is on U.S. 441 in Pigeon Forge, and the Dixie Stampede is just down the street.

NASHVILLE
AUGUST 25

To top off the rally, participants will be "cruisin' down the river" when they get to Nashville. Combining outstanding talent and delicious food, the evening cruise on the famous General Jackson Showboat will feature an elegant finale to an unforgettable tour!

If you're joining the tour in Nashville, the General Jackson Showboat dock is located adjacent to Opryland Park. Boarding will begin at 7PM, and departure is scheduled for 7:15PM. Your rally package will be ready and waiting for you, if you missed everything but the boat.

ROCKIN' AT ROCKINGHAM

NORTH CAROLINA
OCTOBER 19-22

SOLD OUT!

We know there are at least 200 Harley® riders who enjoy NASCAR. The Rockin' at Rockingham event sold out quickly!

A waiting-list of 50 members has been established. Any cancellations for this event **must** be received by August 1. **Absolutely no refunds will be given after that time.**

1995 HARLEY-DAVIDSON® OPEN HOUSES

Members are invited to stop by the HOG Oasis at any of this year's Open Houses and Biketoberfest in Daytona Beach. H.O.G.® reps will be on hand to renew memberships, sign up new members and distribute special H.O.G. event pins.

- You must be present to receive a pin. One per member.
- You must be age 12 or older to participate in the plant tours listed.

MILWAUKEE OPEN HOUSE SEPTEMBER 10

A lot of changes have taken place at the Capitol Drive engine/transmission plant, and you're invited to see what's new! The plant is located at 117th & Capitol Drive (just off Hwy 45 at the Capitol Drive exit) in Milwaukee, WI. Adult admission of \$5 includes a pin and raffle ticket for a chance to win an 883 Sportster. Activities, including plant tours, will be held from 11AM-5PM. All proceeds benefit MDA.

The HOG Oasis will be open during the event. Stop in to pick up your Milwaukee H.O.G. event pin. Please remember to bring your H.O.G. card.

TOMAHAWK OPEN HOUSE SEPTEMBER 15-17

Once again, the Tomahawk Open House is packed with fun-filled activities! Plant tours will be conducted from 10AM-7PM on Friday and from 8AM-2PM on Saturday. The rest of the activities will take place at Sara Park. Here's the scoop. . .

Registration is from 10AM-8PM on Friday and from 8AM-2PM on Saturday. Registration packages are limited to the first 3,000 participants. Demo rides will be conducted from 9AM-3PM on Friday and Saturday, and from 9AM-Noon on Sunday. Other activities include a parade, bonfire, music and fireworks on Friday evening. There will be a Ride-In Bike Show, fashion show, live entertainment and, of course, "Dana & Big Dale's Raffle" on Saturday. Raffle tickets for a new motorcycle will be available all weekend, and the winner will be announced on Sunday at noon. While you're waiting for the big announcement, test your luck at the field events.

The HOG Oasis will be located at Sara Park, and hours will be 10AM-5PM on Friday, 8AM-5PM on Saturday, and

9AM-12PM on Sunday. At the Oasis you will be able to pick up your H.O.G. event pin.

YORK OPEN HOUSE SEPTEMBER 28-30

This is one time you won't mind being "one of the crowd" – because things are going to be jumping at the York Open House. Both plant and museum tours will be conducted Thursday through Saturday from 9AM-2PM, and demo rides happen each day from 9AM-3PM.

Other activities will include Harley-Davidson® dealer displays and world-famous "York Open House Hot Dogs!"

Members are invited to stop at the HOG Oasis – located on the lawn of the Harley-Davidson plant. Hours are from 9AM-5PM each day. We'll have live entertainment and refreshments. Bring your H.O.G. card for speedy service!

A block of rooms has been set aside for H.O.G. members at the Days Inn Conference Center. Call 717-843-9971 for reservations. Mention you're with H.O.G.

TALLADEGA OPEN HOUSE OCTOBER 6-8

Here's your chance to find out how Harley-Davidson motorcycles are tested while you enjoy a fun-filled weekend at the Talladega Open House. There will be demo rides and plenty of activity. So plan now to attend. Complete details will be featured in the next issue of **Hog Tales**®.

BIKETOBERFEST OCTOBER 20-22

The HOG Oasis will be set up right next to the demo rides – how convenient! Take a putt, get a pin, and have fun in the sun. Complete details will be featured in the next issue of **Hog Tales**.

3RD CANADIAN NATIONAL H.O.G.® RALLY

JULY 27-29

The Algonquin Hotel, host site for the 3rd Canadian National H.O.G. Rally, is an historic manor

surrounded by 250 acres, featuring a wide variety of recreational facilities and activities. The town itself, St. Andrews-by-the-Sea, was founded October 3rd, 1783 and is one of the oldest and loveliest towns in the Maritime Provinces. Built by Loyalists on the shores of Passamaquoddy Bay, St. Andrews is a treasure trove of beautiful buildings, unparalleled scenery and rich marine life. A resort for over a century, the town has fine hotels and shops, and offers a wide range of pleasures that combine the best of the past with the best of the present. To quote the town of St. Andrews, "We've spent 200 years preparing for your visit."

Activities start at noon on Thursday, July 27 and include Poker Runs, Observation Runs, Demo Rides

(95 lineup), On/Off Bike Field Events, Vendor Mall, Beach Party, and **much, much more!!**

Gateway rides, lead by our Canadian Regional Directors, will begin from as far away as Vancouver, B.C., Edmonton, AB, and the Montreal area, PQ. The pick-up rides will meet with members at Harley Davidson® dealers along the route. The final leg to St. Andrews will leave Eldridge's Harley-Davidson, Saint John, NB, at 10AM Thursday, July 27. If you are not able to join on the main Gateway rides, meet us at Eldridge's for the grand finale. To be eligible for an official gateway ride pin, each participant must be pre-registered for the Canadian National Rally. There are ample accommodations available starting at \$45 Canadian,

including camping just down the road.

Contact the Canadian H.O.G. office today for your pre-registration package, which includes a pre-registration form, a rally schedule, accommodation list, and complete area information. You can reach us at 800-668-4836 anywhere in Canada, 416-741-5510

EUROPEAN RALLY

SEPTEMBER 7-10

The Annual European H.O.G. Rally will see some new and exciting differences this year. First of all, expect **hot** and **sunny** weather.

The event takes place at La Pinar in El Grau de Castellón, Spain at a site less than 183m (600ft) from the beach. It lies 70km (43mi) north of Valencia and 300km (186mi) south of Barcelona directly on the Mediterranean across from Majorca and Ibiza. The traditionally Spanish area is well known for it's paella.

While Castellón itself is a reasonably sized town with lots of shops, restaurants and night life, El Grau and it's neighboring towns are small and quaint with sidewalk cafes and miles of sandy beach.

The City Authorities of Castellón are fully supportive of this event and are giving us access to many facilities. Additionally, the citizens of this area are not strangers to Harley-Davidson, they've been hosting the Big Twin Rally for the last 12 years.

So, be ready for a "Daytona" style H.O.G. Rally as we plan for the first time to extend the activities outside of the central

site and take advantage of the natural surroundings available to us. For example, the Ride-In Bike Show will be held on the beach in front of the general public. The city of Castellón is even planning a traditional Spanish street festival featuring live music. The festival will begin on the second evening of the rally with a "Dresser Light Show" leading to the main arena just before midnight.

For those of you with endless energy, a full programme of daytime activities including Self-Guided Tours, dealer stands, fashion shows, Biker Bingo, and stunts on the beach are at hand. We are still negotiating on the watersports facilities for rally attendees and hope to have all the details in the next issue of **Hog Tales**.

Pre-registration is only available to H.O.G. members, please use the pre-registration form at the right. Prices for pre-registration are as follows: Spain, Pts 4500; Austria Os 350; Belgium, Bfr 1030; France, FFr 173; Germany, DM 50; Italy, Lir 53000; Netherlands, FL 56; Norway, Nkr 225; Sweden, Skr 243; Switzerland, Sfr 42; U.K., Pds 21. On-site registration is available to both H.O.G. members and the general public - only Spanish pesetas will be accepted at the gate. Prices for on-site registration are as follows: H.O.G. members, Pts 5250; and non H.O.G. members, Pts 6000.

NEW ZEALAND NATIONAL RALLY 1995

NOVEMBER 10-12

If you're scanning your calendar and looking for a bit of excitement later this year, maybe you should make plans to attend the 6th National New Zealand H.O.G. Rally. New Zealand has an ever growing history of fine rallies. This year's event is going to be held November 10-12 at the Woodville Racecourse Venue. Woodville is a small rural town situated in the North

Island of New Zealand, approximately a 15 minute ride from Palmerston North.

Enjoy technical seminars, Karaoke competition, a Thunder Ride, barbecue, Gymkhana, and a variety of other events to round out the weekend.

A schedule of events and a registration form will be available shortly. If you

require any additional information prior to that time you may write or fax to the rally committee as follows:

NEW HAMPSHIRE/VERMONT STATE RALLY • AUGUST 18-19 • WATERVILLE VALLEY

The First Annual New Hampshire/Vermont State Rally will be held August 18-19. The rally will be at Waterville Valley Resort in Central New Hampshire, with a full agenda of events and activities for all who attend.

CONNECTICUT STATE RALLY SEPTEMBER 2-3 • WALLINGFORD

The Connecticut H.O.G. chapters have set the weekend of September 2-3 for the 6th Annual State Rally, to be held at Mountainside Resort in Wallingford. Come join us on Saturday night for HOG Hop. Pre-registration will be available.

Pre-register before July 15 and receive a free commemorative rally T-shirt. Those who register on-site at Mountainside Resort may purchase the same shirt for \$12, while supplies last. These shirts are available to national H.O.G. members only. One guest per member. Field Events, Bike Show, games, Self-Guided Tours, food and beverages included all day.

IOWA STATE RALLY SEPTEMBER 2-3 • DEWITT

Wondering what to do for Labor Day? Come to Iowa! For the 5th year, H.O.G. members will be enjoying the hospitality of the Heartland. Located just minutes away from the scenic Mississippi River Valley, the DeWitt 4-H grounds will be the host site for our event.

The 1995 rally will have all of your favorite activities including Observation and Poker Runs, Ride-In Bike Show, Vendors, Parade and Field Events for the entire family. Closing ceremonies and the HOG Hop will round out the days activities.

So, mark your calendar, make plans to attend, and don't forget, pre-registration closes on July 14.

UTAH STATE RALLY SEPTEMBER 2-3 • MOAB

Join us in the beautifully colored country of Southern Utah. The Utah Red Rock Rally will be held at the Moab Valley Inn and Convention Center. Pre-register by July 15 and receive a commemorative rally T-shirt and ride pin. Those who register on-site (also \$20) may purchase the same shirt for \$15, while supplies last. Featured activities include a Poker Run, Bike Show, Self-Guided Tours, Saturday night dance, prizes and awards. Dinner on Saturday night is a Western Buffet for only \$10.

The official rally will end after the closing ceremonies on Saturday night to give riders an opportunity to ride to the Four Corners Rally.

VIRGINIA STATE RALLY SEPTEMBER 15-17 • ROANOKE

Y'all come visit the Virginia State H.O.G. Rally, September 15-17, to be held at the Roanoke Civic Center in Roanoke, VA. Nestled in the Blue Ridge Mountains, Roanoke is a thriving southern city with plenty of hotels, restaurants, and shopping within minutes of the rally site. Roanoke Valley and the Blue Ridge Mountains offer some of the most scenic views for riding on the east coast! Bike Show, Poker Run, breakfast rides, and a casino night are just a few of the fun events planned. Rally costs: Pre-registration: \$15 per member/\$20 per guest. On-site: \$20 per member/\$25 per guest.

WEST VIRGINIA STATE RALLY • SEPTEMBER 18-19 • CANAAN VALLEY RESORT PARK

In addition to a full rally schedule including Self-Guided Tours, Poker Run, Field Events, peoples choice bike show, line dancing, door prizes, dance, ski-lift observation, etc. you'll enjoy the unspoiled beauty of the Allegheny Mountains, with sprawling evergreens,

upland bogs, rippling streams and breathtaking waterfalls. Witness a panoramic view of half-mile canyon; where abundant wetlands create a thriving mecca for white tail deer to roam and graze freely. Rally activities will begin at noon on Friday with registration and will conclude Saturday night with a dance and drawing for a Harley trailer. Rally shirts, pins, patches, etc. guaranteed to pre-registrants only (rally packets will be mailed to pre-registrants who cannot attend the rally.)

FLORIDA STATE RALLY NOVEMBER 2-4 • JACKSONVILLE

Discover why Jacksonville is called the "New Bold City of the South". Visit the city where "Bike Week" originated. There will be plenty to do November 2-4 along the riverbank of the St. Johns, the only river to flow upstream besides the Nile. Jacksonville is accessible via I-95, I-75 and I-10. Jacksonville restaurants, microbreweries and nightclubs are within walking distance from the host hotels and minutes from our beaches by bike. The agenda is full and you'll want to arrive early to take advantage of all the activities, which include a ride to historic St. Augustine (the oldest city in the US), Jacksonville Zoo, Jacksonville Busch Plant, riverboat cruises, and live entertainment. So why not come down early. Jacksonville is your gateway to a great getaway! We accept Visa, Mastercard, American Express and Discover.

AUSTRALIAN NATIONAL RALLY RECAP

The 6th Australian National Rally is now just a fond memory. All those who made the trek to Mackay were treated to a superb weekend of HOG hospitality. The weather was perfect, the music, food, activities and tours were thoroughly enjoyable. The hard work put forth by the rally committee and Australian H.O.G. chapters and members was evident in the throng of smiles seen throughout the weekend.

Arrival to the Sarina Fairgrounds sent members busily unpacking their weekend's provisions and setting up their tents in the chapter area. For some, the weekend and the following days were consumed with conversation within this social center. By Friday the track area was a sea of vibrant colored tents and fluttering chapter flags. Friday night was spent recapping the past days' rides and relaxing with one of a series of many tasty meals. Members' kids were treated to a fireworks display and plans were made to assemble for the next morning's Rolling Thunder Ride to Mackay.

Saturday morning was spent enjoying breakfast and assembling for the ride to Mackay. At 10AM the procession of roaring Harleys surged forth onto the highway turning right and heading north, toward the center of Mackay. The route covered 38 kilometers which was lined on both sides of the road with spectators, some who had traveled for more than 2-1/2 hours just to witness the event.

Upon reaching the center of Mackay the bikes were swallowed up by thousands of enthusiastic well wishers. The crowds surrounding the bikes were often more than six deep, straining to view each of the shining motorcycles. The local authorities and a couple of old diggers commented that they had not seen a crowd like this since the visit by the queen. That was in 1959!

A quick trip back to the fairgrounds gave way to an afternoon spent in sporting competition. The Townsville chapter

organized the Gymkhana events.

Participation in the activities was widespread. The afternoon's challenges included the barrel race, slow race, postie punt, balloon toss, and horizontal bungee stretch.

The tent covering the Bike Show was overflowing with proud owners. The level of competition was exceptional. It was a difficult task to finally determine a winner in each of the classes.

By the time Saturday night arrived 1,164 members, representing every chapter in Australia and 8 international chapters, had arrived and gathered for another friendly meal and evening of musical entertainment.

Easter morning brought about a variety of activities for members and their families. Many members started the morning with services sponsored by the Salvation Army. From there the day offered an Easter egg hunt for the kids, a riding tour of the Eungella Range Rain Forest or an all day cruise and visit to Hamilton Island. The remaining participants experienced the feel of a new '95 at the demo rides sponsored by Morgan & Wacker.

The day ended with a rich orange sunset and a round of thanks to the Mackay and Districts Chapter, the Brisbane, Townsville, and Capricorn Chapters; Steve and Robyn Buitter; John and Debbie Fleming; Bruce, Mark, and Brad Wacker; and all of the supporting chapters and members of Australia. The night then settled into a pleasant medley of solo vocal entertainment.

A review of the rally site early Monday morning revealed that most H.O.G. members were already cruising toward home. Many with memories of the just completed rally swirling in their minds while subconsciously making plans to attend next year's 1996 Australian National Rally in Perth. ●

BRIDGWATER HOG RALLY A SUCCESS

Grim weather forecasts failed to deter over 500 H.O.G. members from attending the third Bridgwater H.O.G. rally in England's beautiful West country. Located at a small vacation camp on the North Somerset coast where palm trees flourish on the mild Gulf Streamwashed shores, the site afforded a view across the Bristol Channel to the Southern coast of Wales.

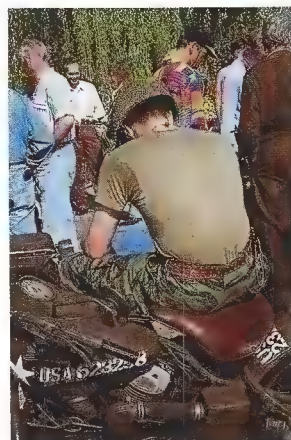

It was a view that was obscured by rain for most of Saturday, and games were bought in-house. The conditions did nothing to depress spirits however, and when the sun sank, the partyin' spirit took a grip on everyone. A variety of excellent bands kept the ballroom floor packed with enthusiastic dancers both Friday and Saturday night.

Local H.O.G. organizer TJ didn't advertise the rally anywhere and still all the chalet accommodations were taken with some camping space provided to cope with overflow. He must be doing something right. ●

HOLLAND'S CONVOY FOR KIDS

What an experience! On May 7, 1995 over 1200 Harley owners enjoyed a bright and sunny ride from the Netherlands largest Harley dealership – Safe Motors – to the Children's Hospital in Rotterdam, where they donated toys to children. The run, which coincided with the 50th anniversary of Holland's Liberation, brought the riders through a parade-like crowd of enthusiastic onlookers in central Rotterdam.

A contingent of 45's led the convoy, drawing nostalgic applause from the crowd, some of whom must have recalled the euphoric arrival of allied troops who liberated the country half a century earlier. Included in the convoy was a decommissioned American military truck, driven by Marcel of Safe Motors, that was jam-packed with teddy bears and other toys. The 30km ride to the city's airport in unseasonably hot weather tested the riding capabilities of the big twins, but the weather provided no threat, and the vintage iron

rolled triumphantly to the finish.

All in all it was a great day out for the Harley riders, the residents of Rotterdam, and most importantly, for the hundreds of children who benefitted from the generosity of those whose effort had shone a little light into their lives. ●

LOUISIANA STATE RALLY RECAP

Once again, the Louisiana State Rally enjoyed a fantastic turnout in splendid Chicot State Park in Ville Platte, the annual location for this grand H.O.G. event. Elegant, blooming dogwood trees and towering pines were in peak appearance. This park features rolling hills and a lake full of moss-covered cypress trees and offers days of bass fishing or perch jerking for the less adventurous.

Friday's pre-registration and on-site registration began in full force; total turnout was 804 pre-registered attendees and 326 who registered on-site. It was a great time to rekindle old friendships that began here in Chicot over the years.

On Saturday, the kids kicked off the day with games, and by noon the field events were underway. This year, gift certificates were given as prizes in all field events to be used at the Harley dealer of choice. The evening closed with the bike show and a great Cajun meal of red beans and rice with fried pork chops that were finger-lickin' good and spicy. Many old friends reminisced and new friendships were made.

We began Sunday morning with a mini-Poker Run that followed through the park and nearby Cajun stores. Closing ceremonies were held at the amphitheater where we gave away door prizes, Bike Show awards and the longest distance award which, by the way, went to Jack and Carol Cameron from Pembroke, Ontario, Canada.

Our 1996 State Rally will be in Chicot State Park, March 29-31. Don't forget: you must be a National H.O.G. member to attend the rally (NO GUESTS). So if you or anyone in your family is not yet a national member you might want to take care of that now (including children). See you next year. ●

MISSISSIPPI STATE RALLY RECAP

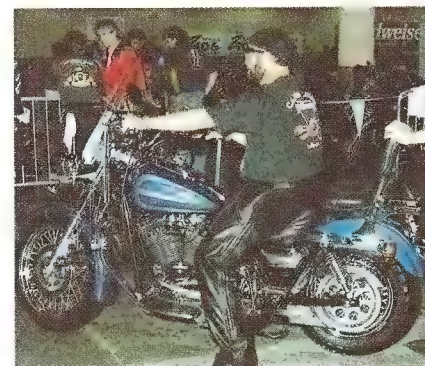

When you have lemons, you may as well make lemonade. That pretty much sums up the 1995 Mississippi State Rally in Jackson. After a beautiful Friday evening at Harley-Davidson of Jackson, during which the Jackson Chapter Ladies of Harley served over 350 pre-registrants a great catfish dinner, Saturday began with a bang... literally.

Shortly after 6AM Saturday morning, a storm hit the rally site with a vengeance, causing a mad scramble to move everything indoors. We all spent the early part of the morning getting our bikes dried off for the Bike Show. Vendors set up inside and even the Poker Run stops were scattered around the inside of the building. All considered, the only real disappointment was the cancellation of the Field Events.

Even so, over 1,200 people spent the day looking at a complete 1995 H-D product line display, participating in a charity auction for Muscular Dystrophy, watching their kids take demo rides on Sportster bicycles and generally just talking bikes. Riders came from as far away as California. Even the Naples, Italy Chapter was represented.

In spite of the bad weather, a good ol' Southern rock 'n roll band brought the house down Saturday night. Sunday's farewell barbecue back at Harley-Davidson of Jackson was one of the best ever, and as rally goers began heading for home, everyone agreed to meet back in Mississippi next year for another visit. If you didn't make it in '95, be sure not to miss the 1996 rally. With a couple of years' experience under our belts, next year's rally promises to be bigger and better. ●

FEDERAL COMPANIES

MOTORCYCLE SHIPPING DISCOUNTS OFFERED IN THE CONTINENTAL U.S.

The Harley Owners Group® has entered into an agreement with the Federal Companies, an agent for Allied Van Lines, one of the leading transportation companies in America to offer discounted rates to full H.O.G.® members who may need to ship their Harley-Davidson® motorcycles within the continental U.S.

The Federal Companies can ship your motorcycle (uncrated) anywhere within the continental U.S. You will not have to incur additional charges for crating because the Federal Companies, along with Allied Van Lines have developed a safe method of shipping motorcycles uncrated.

So, if you find that your vacation time does not allow for riding across country – say to a H.O.G. rally – and you really want to have your Harley-Davidson available for the event, the Federal Companies can help you out!

Also, if you live outside of the U.S. and would like to ship your vehicle to the continental U.S. for your vacation, the Federal Companies can assist you with transporting your motorcycle from the port of entry to your final destination.

For information, rates, timetables and other services available, call the Federal Companies at 1-800-747-4100, Ext. 214 or 217 (within the U.S.) and at 309-694-4500, Ext. 214 or 217 outside of the U.S. or fax at 309-698-8848.

Be sure to mention that you're a H.O.G. member, and their friendly, helpful agents will provide you with the special discounted rates designed especially for full members of the Harley Owners Group! ●

EAA INVITES HOG MEMBERS TO OSHKOSH '95

H.O.G. members are invited to attend the Experimental Aircraft Association's annual convention in Oshkosh, WI on Sunday, July 30, 1995!

See one of the world's finest aviation events and savor all the thrills of flight – including a special presentation by the EAA Warbirds of America. The Warbirds performance will commemorate the 50th Anniversary of the end of World War II. The afternoon air show will also feature the final Wisconsin performance of the famed Eagle Aerobatic Flight Team.

All you as a H.O.G. member need to do to attend is show your membership card when you purchase the EAA admission pass (\$20) at the H.O.G. parking area. Follow the signs and look for Harley-Davidson flags at the entrance – this is the only area where special H.O.G. member prices are guaranteed. Your admission includes a secured parking area for your motorcycle and an all event pass. The all event pass will allow you to enjoy the commercial exhibits as well as the flight line area.

Directions to the EAA in Oshkosh are – from Milwaukee, North on U.S. Highway 41, exit Highway 26 east (Waupun Road) follow Highway 26 east approximately 2 miles to the airport. Follow the signs to the H.O.G. parking area. ●

FLY AND RIDE IN LONDON

The Harley Owners Group is proud to announce the opening of a new Fly & Ride location at the U.K.'s newest Harley-Davidson dealership, Stadium Motorcycles, located in North East London.

If you ever dreamed of touring England, what better way to experience the history, culture and scenic countryside of this beautiful country than on a Harley-Davidson.

Call or fax the Milwaukee H.O.G. office to reserve your Fly & Ride.

FLY & RIDE FUN

When touring through sunny Florida, the last thing you want to do is bake inside a car while sight-seeing. Dan and Vernetta Felton of Elk City, OK had the right idea when they decided to take advantage of the Fly & Ride program. Their trip began in Miami at Peterson's Harley-Davidson and ran south to this landmark. As this photo was being taken, a passing tour guide told his tram riders, "this is the southernmost point of the continental US and the southernmost Harley." Dan's current bike is a 1990 FLHTC.

If you would like to be considered for this column, send photographs and tell your story of Harley-Davidson®, as only a H.O.G.® member can, to: Hog Tales Editor, at the address on the back cover.

The first use of military motorcycles manufactured by Harley-Davidson was in 1916, on what historians call “the punitive expedition.” This was a foray into northern Mexico during the spring, in search of the notorious outlaw, Pancho Villa. National Guardsmen, in cars, on horses and Harleys, and on foot tried to catch up with Pancho Villa but failed to do so. Successful, though, was the use of Harleys in a military operation.

Although it seems that the primary use of Harley-Davidsons in World War I was as

ambulance and messenger vehicles, many were also used in actual combat. We can assume that around 7,000 Harleys went into service during the first World War in France. War Department records show more than 26,000 Harleys were ordered through November 1st, 1918.

During World War II, 88,000 Harley-Davidsons were produced by the Motor Company. Spare parts were manufactured for another 30,000.

This is where we join H.O.G. member Joe Preteska. Joe began to ride Harleys in the 518 Military Police Battalion on Governors Island, Fort Jay. He went to England and France where his unit became the 804 Military Police Battalion.

He travelled on his Harley through France, Belgium, Holland, Austria and eventually right into Germany. During

“We kept the roads as open as we could, and the Harleys kept on rolling.”

—Joe Preteska

CYCLES IN THE MILITARY

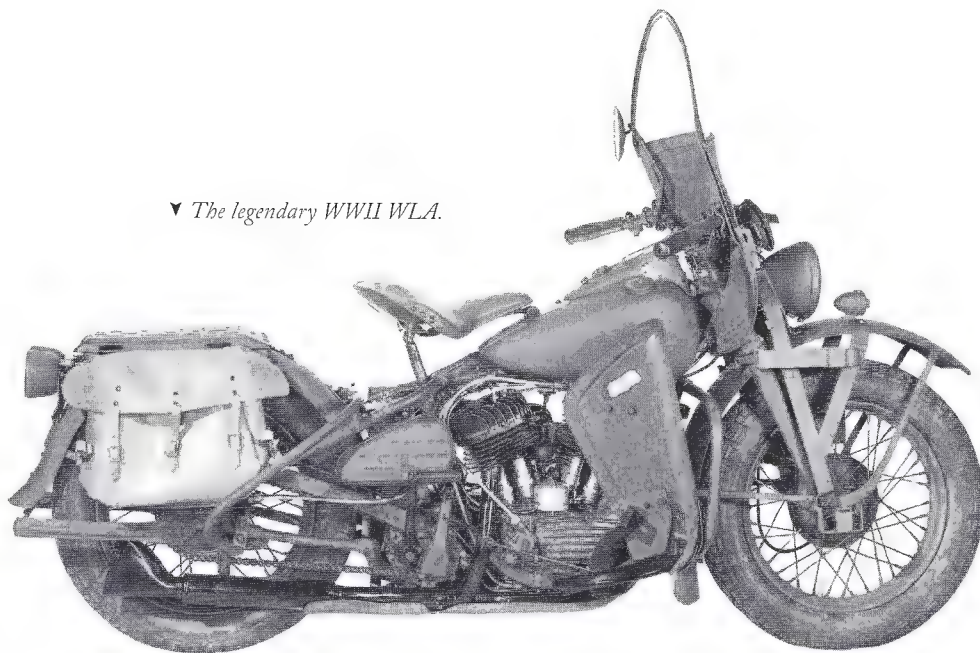

MARTY ROSENBLUM

World War II, he had a total of three military Harley-Davidsons during his five years in the Military Police force. Joe says that "In the wintertime, I put chains on the back wheel – over a snowtire – and rode in every kind of weather; we had to keep moving. We kept the roads as open as we could, and the Harleys kept right on rolling."

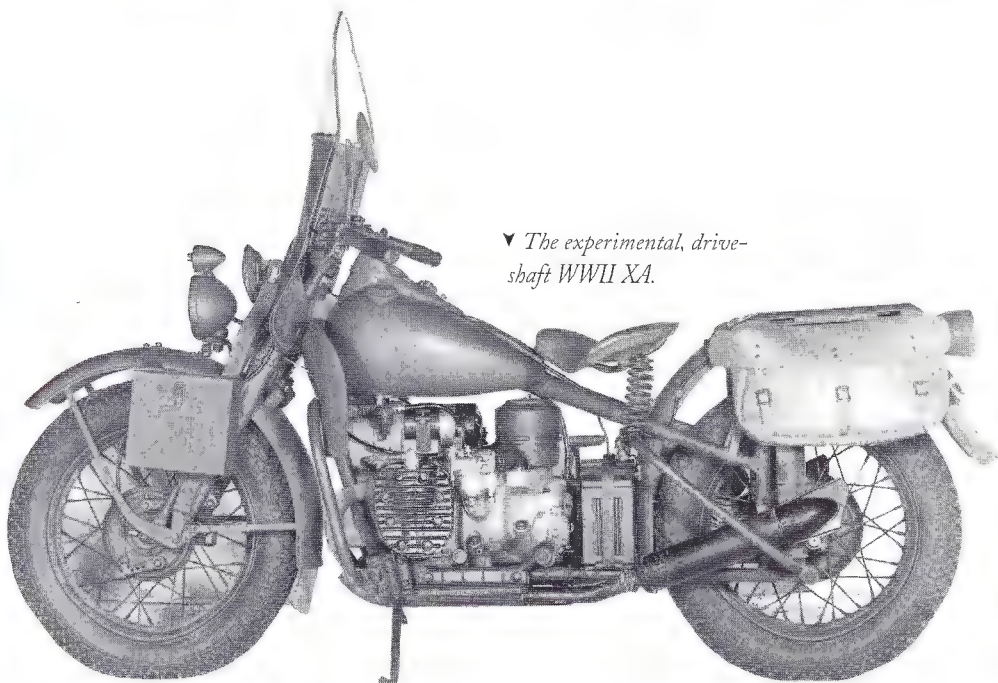

When Joe got out of the service, he kept on rolling on Harleys. He has owned three of them. His son and his grandson also own Harley-Davidsons.

Joe is presently seventy-one years old and still riding! Though the roads are different than those he rode upon in Europe during the War, he keeps his wheels moving from his home in Greensboro, North Carolina and across the United States. Keep on riding, Joe, and wave to us out on the road when you pass us by! ●

LAGUNA SECA RACE RESULTS

VR1000 WEATHERS THE WEATHER

Monterey, California fog. It's about as welcome at a racetrack as a tornado at a mobile home park. Throw in some rain, and you have a day better suited for duck hunting than superbike racing.

Those were the conditions racers faced April 28-30 in round three of the American Motorcyclist Association's superbike series at Laguna Seca Raceway in Monterey, California. Although rain plays a factor in the outcome of the race, it does not force a cancellation. Fog, however, is another matter.

Harley-Davidson VR1000 rider Chris Carr qualified 15th for the race, which began under wet conditions and stayed that way until about lap five when the wind came out of the north and fog engulfed the 2.2-mile course. The race was halted after lap seven, and the decision was made to restart the race at the seven-lap mark on Monday morning.

The fog had lifted by Monday morning but the rain persisted, making the weather once again more conducive for duck hunting than superbike racing. The duck that everyone was hunting turned out to be the Ducati of Freddie Spencer, who won the race.

Carr, a superbike rookie, finished a respectable twelfth. Not bad considering the dirt-track veteran has not had to deal with wet-track syndrome in his other line of racing.

VR1000 riders Andy Fenwick (Earl Small's Harley-Davidson, Marietta, Georgia) finished 26th, and Ron McGill (Brian's Harley-Davidson, Langhorne, Pennsylvania) finished 32nd.

Missing in action were VR1000 riders Doug Chandler, Carr's teammate, and Scott Zampach (Carolina Harley-Davidson Dealers Association). Chandler has been unable to race since he broke his collarbone in a spill in round one at Daytona. Zampach was able to compete on Sunday (see below), but was unable to race Monday; he flew home to be with his wife, who is pregnant. ●

ZAMPACH WINS SUPERTWINS AT LAGUNA

Scott Zampach won his second Supertwins race of the season in a back-and-forth contest with rival Shawn Higbee, the series' defending champion in Monterey, California. Finishing third behind Zampach (Carolina Harley-Davidson Dealers Association) and Higbee (Bartels Harley Davidson, Marina Del Rey, California) was Matt Wait (Mitchell's Modesto Harley-Davidson, Modesto, California). Wait leads Zampach by three points in the standings. ●

DELAWARE HALF-MILE RACE RESULTS

SCOTT PARKER WINS, SPRINGSTEEN STILL THE LEADER

The Delaware State Fairgrounds was the site for Scott Parker's 61st career national victory. Parker did

not start out like a winner though, as he mistakenly identified the white flag as the checkered in his scratch heat. As Parker slowed, the rest of the pack drove past him at speed and Parker was forced to start his heat race from the back row.

Parker managed to fight his way through the pack and eventually beat Steve Morehead to the finish and pick up the transfer spot to the main event. Once the 25-lap main was underway, Parker stole the show riding the cushion early and finding the groove later in the race. Parker was never challenged and finished with nearly a four-second lead. Steve Morehead brought his KK/F&S Harley-Davidson across the finish line 2nd for the second race in a row and Rodney Farris finished third aboard the Eddie Adkins/ Winchester Harley-Davidson. Will Davis was the top Honda finisher in fourth and Jay Springsteen finished fifth. Parker's part-time teammate, Chris Carr finished 13th in his second dirt track adventure of the year. Carr will run a limited schedule in the dirt as he concentrates on racing the VR1000 superbike.

In 883 dirt track action, Matt Wait took the checkered flag on the Mitchell's Modesto Sportster followed by Moroney H-D riders Mike Hacker and Georgie Price IV. Scott Stump and Jay Springsteen rounded out the top five for the 12-lap main event. ●

NEW FACES IN THE HARLEY OWNERS GROUP

The Harley Owners Group is proud to introduce our new staff members.

DEBBIE MUELLER

H.O.G. Member Services Representative

▲ Over the 19 years that I've worked at Harley-Davidson, I've had many different assignments, but working in the Harley Owners Group has been, by far, the most exciting. Like Maureen, I'm able to assist you with any questions you may have about your benefits in H.O.G. As for riding, I currently own two bikes, a 1994 FLHTC and the 1990 FXR you see here.

HEIDI ZOGG

Regional Coordinator

► Greetings. I'm Heidi Zogg, Regional Coordinator for H.O.G., pictured here on my '95 "Hugster" – an 883 XLH with Hugger shocks and Buckhorn handlebars. The first time I rode on a Sportster was in 1988 sitting behind my brother all the way from Milwaukee to Sturgis. I'm looking forward to finally riding my own bike out this August, and to meeting all you H.O.G. members so... please stop in at the HOG Oasis and say "hi"!

MAUREEN EPPERS

H.O.G. Member Services Representative

▲ I joined H.O.G. in November, 1994 and am one of ten Member Services Reps in the Harley Owners Group. I can answer any questions you may have about H.O.G. and the benefits of membership. One of the highlights of working in H.O.G. is traveling to H.O.G. rallies and meeting our members who share the same love for their bikes as I have for mine. I previously owned a 1972 Harley-Davidson Sprint, but now I am the proud new owner of this '95 Springer Softail.

ALLISON DUTHIE

National Coordinator, H.O.G. Canada

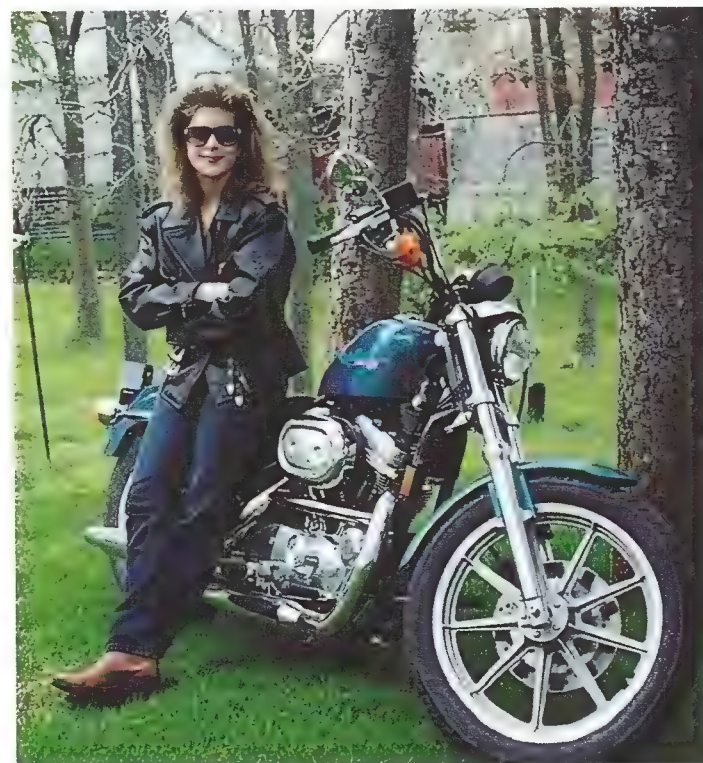

▼ A lot of people are envious of me, and so they should be. I'm part of a 285,000 member family and I get to do things that most people never have the chance to... ride Harley-Davidsons, meet incredible people from across the globe, and help to make the Harley Owners Group all that it can be. I'm proud to be the National Coordinator for H.O.G. Canada and to be a part of such an incredible family. I hope to meet a lot of my old friends and plenty of new ones at the 3rd Canadian National H.O.G. Rally in St. Andrews, New Brunswick, July 27 to 29. In the meantime, RIDE SAFE and HAVE FUN.

MONICA MUELLER

Assistant Editor

▲ Hello, I'm Monica Mueller, Assistant Editor of **Hog Tales**. I'll be assisting Mike Telesco in making **Hog Tales** the kind of publication that you can't wait to get your eyes on. So, send us your stories, and feel free to bend my ear a little at the H.O.G. rallies this year – I'll be in Reno and Rapid City! I'd love to hear from you – you're the heart and soul of H.O.G. and **Hog Tales**. Hope to see you this summer – ride safe.

MEREDITH LOW

Member Services Representative for H.O.G. Canada

► Life's highway takes many twists and turns and the most recent bend in the road has led me to the Harley Owners Group where I have taken on the position of Member Services Representative. Although a bit of a departure from my previous employment, I'm not straying far from home. I bring to this position an appreciation of motorcyclists everywhere from my experience with the RP Foundation and the Ride For Sight. I look forward with great anticipation to the challenges that lay ahead to meeting you at the 3rd Canadian National Rally in St. Andrews, N.B.

▲ The State of Washington's **Columbia River Chapter** is sponsored by Wenatchee Cycle Center. While this chapter is celebrating its third year, they held their first State Rally in 1994. The group has 114 members from locales as distant as Spokane, WA and Kamloops, Canada. Plans for this year's activities include a Toy Run, Adopt-a-Highway clean up, a treasure hunt, Poker Runs, Scavenger hunt, Harleyween, Christmas and plenty more. Columbia River Chapter rides from the dealership every Sunday; something to consider if you're ever in the area.

▲ Gathered beside sponsor Richard Perry's Harley shop is the **Southwestern Michigan, Kalamazoo H.O.G. Chapter**. In five years, membership has reached two hundred. At their monthly meetings, the group plans the Annual Christmas Party, HOG Hops and Poker Runs. Funds raised go to local charities for needy children. Members will tell you that Michigan has some great rides with all the lakes, woods and hills. And hey, they're right.

▼ Australia's **Adelaide Chapter** put together a fantastic Christmas Party last winter which included a barbecue, cold drinks (no beer, which disappointed some of the dads), games and, of course, presents that were handed out by the chapter's own Ron "Santa" Hillebrand. Santa arrived on an FLH followed by a Fat Boy towing a trailer full of presents. There's one jolly old fella that makes you do at least one double take.

▼ **Kamloops Chapter**, British Columbia, was formed in 1988 with 45 charter members. Now with roughly 200 members coming from Alberta, the northwestern United States and locally, they sure know how to run a fundraiser. In six years Kamloops has raised \$227,720 for MDA, mostly through annual raffles and Poker Rides. Known to have one of the best rides in Western Canada, they attract over 500 riders annually. Parked next to Santa is Curtis Randall, who has been the chapter's MDA inspiration since their first benefit ride.

▲ Sponsored by Myers-Duren Harley Davidson, Oklahoma's **Tulsa Area #1 Chapter** is anything but small. In nine years, the club has grown to 544 members. This active chapter has many rides, dinners and community service events. They are also instrumental in promoting and coordinating the Oklahoma State Rally.

▼ Meet the proud folks from the **Essex County Chapter** of New Jersey. In five years, membership has grown to 111 members. Until this year, the club maintained a low profile with Sunday breakfast runs. Now, bi-weekly runs are planned for nearby destinations. Events are being planned to support local charities and recently the club started putting a photo album together.

◀ These fashionable, young folks have a fashionable, young chapter. The **Cadiz Chapter** in Spain is one of the newest. Created in January of 1995 it now has 15 members. The sponsoring dealer, Harley-Davidson of Cadiz, is currently organizing a monthly Ride-Out.

| South-West Bavaria Chapter | Motorrad-Shop Muller GMBH | Schrobenhausen Germany |

▲ After owning a '92 FXRS-CONV and test driving an FLSTC and FLHTC at a H.O.G. rally, **Rick De La Rosa** of Albuquerque, New Mexico just had to own the '95 FLSTC pictured here. Since then, he says, life has been pure enjoyment.

▼ Next time you hear the phrase "a man's home is his castle" think of **Aliberti Gianmaria**. This Saluzzo, Italy resident is pictured here on his drawbridge with his Sportster 883. Aliberti is currently studying for a career in law. But when he's not hitting the books, he loves to hit the pavement.

▲ Shown here with his children, **Denis Ruet** proudly exhibits the "fulfillment of a dream," his 1991 Sportster. Originally from France, Denis is a primary school teacher employed by the Ministry of Foreign Affairs. He is currently posted in Canberra, Australia. He says the kids at home and at school love his bike.

▼ "Fifty and still nifty" is how **Jim Smith** refers to his wife, Wanda, of Hood River, Oregon. Wanda received this 1994 FXR two Christmases ago. She and Jim do a lot of riding together, which she feels is fine as long as he can keep up.

◀ Smiling in front of the shimmering waters of Te Ana Lake are **Fred and Aonda Li Chow**, of Hong Kong. The black Heritage is his and the Fat Boy belongs to a friend. The Hong Kong Chapter toured New Zealand in January and February. Fred says the trip was great. At the time he wrote us, however, two months had passed since the tour and his bike still wasn't back yet. Good luck, Fred.

► **Karen Malatesta** of St. Charles, Illinois has been around bikes most of her life. Up until recently that meant the back of her husband Jim's '92 FXRS Convertible. But after completing her motorcycle safety course, Karen found this '95 Sportster in the driveway as a surprise birthday gift. Unfortunately, Illinois birthdays in November mean lots of time spent admiring and waiting until spring to get a taste of riding solo. Of course, the wait is always well rewarded.

◀ Pictured on the right side of this photo is **Jack Gerald** of New Caledonia (a small island off Australia's east coast and north of New Zealand). Jack recently finished a four-week, 4000 km trip through New Zealand on his new Heritage. He spent time on both islands, riding some of the time with the Auckland Chapter and some with the Hong Kong Chapter, always enjoying spectacular scenery.

▲ "It's not where I'm going but how I'm going." That's the sentiment often expressed by **Beau Ott** of Kennesaw, Georgia. A year and a half ago, this enthusiast/accountant stopped dreaming about Harleys and finally bought one. The 1988 85th Anniversary Low Rider pictured here features black and chrome parts Beau installed in place of the original gold and black ones he stored away. In less than 10 months, he has put nearly 16,000 miles on the bike.

▼▼ Even at the young age of two, **Blain Heeter** of Brookville, Ohio heard voices telling him to ride a hog (below). Well, by 1971 he got it right with his first Harley-Davidson. Nearly 25 years and some 200,000 miles later, Blain is active in two H.O.G. chapters and is a 17-year member of the AMA. He is pictured here on his sixth Harley, a 1994 FLHTC. Blain's motto is "So many miles, so little time."

◀ After riding on the back of her husband's Softail for a year, **Carole Rosinski** of Mississauga, Ontario, Canada told him: "That's enough for me, Sweetie, I want my own bike!" He happily helped her pick out a '91 Sportster but it wasn't long before she needed more. Hence, the Heritage Softail you see pictured here. She and husband John average about 10,000 miles a year touring and are very active with the Milton H.O.G. Chapter. Carole says, "If you'd told me at 20 that I'd be riding a Harley at 40, I would have told you you're crazy. But here I am and loving it."

▲ **Bob Jones** of St. Lambert, Quebec says he wanted a Harley for most of his life. In the fall of 1993 he finally bought a new 1994 FXDWG. That following June, Bob took off across Canada for a trip to the Arctic Circle. He says he braved rain, snow, cold and hot temperatures to get there, then had to wait almost two hours for someone to drive by and take this picture. He has decided to go back this summer, if for no other reason than to find the watch he lost last year.

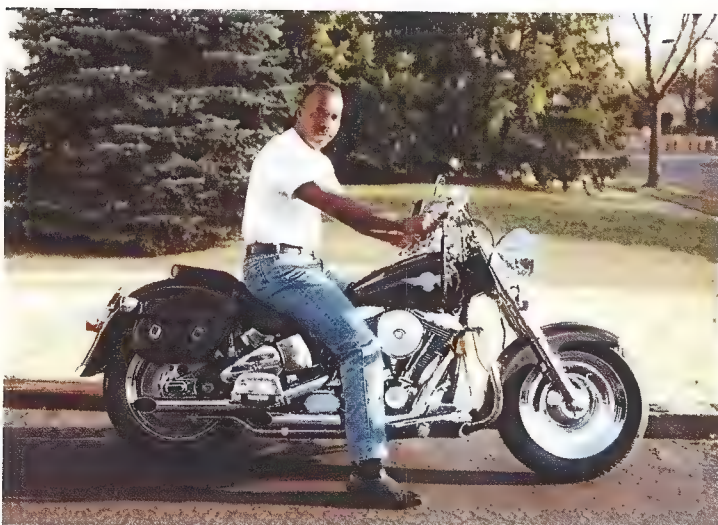

▲ **Gene Ganiere** of Waukesha, Wisconsin sacrificed 29 years of motorcycling with other brands before purchasing his first Harley, this Dyna Low Rider, last year. Naturally, he believes this FXDL is the best bike he's ever owned. He's already broken it in with a trip to the Black Hills and Sturgis, where he had this picture taken in front of Devil's Tower.

▼ **Bill Mericle** of Muncy, Pennsylvania sends us this photo to commemorate the 90th Anniversary of Harley-Davidson police motorcycles. He's pictured here atop a 1963 FL Duo Glide '74 ci Pan Head that is stored at the Pennsylvania State Police Academy. Bill recently retired from the P.S.P. as a major. He's been riding for 35 years, his current mount being a '93 Anniversary XLH.

▼ **Linda Brown** of Annapolis, Maryland shares an all too familiar story. After a year of riding shotgun on her husband's Heritage Softail, she had to have a bike of her own. In March of 1994, this paralegal went out and bought a brand new Road King. She's already logged thousands of fun-filled miles. This year, she and her husband are planning a three-week trip to Sturgis and back.

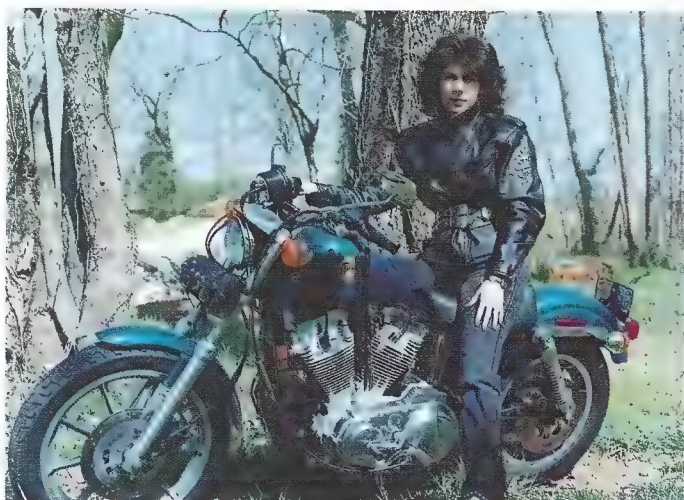

▲ Norwood "Woody" Hickson is pictured here atop his 1992 Fat Boy. His second Harley, this bike has accompanied him to several rallies across the east coast. He also attends the Rolling Thunder POW/MLA Awareness Runs in Washington, DC and New York City. A New Jersey police officer, Woody looks forward to his days off so he can spend them on his bike.

▲ Magic does happen when Harley meets the open road. Even angels appear. En route to Sturgis, Kathryn Meyers of Placerville, California is seen traveling at warp speed on her 1987 FXR. Open road adventure and Harley dreams are a major passion for this Life Member. Having traveled light years since her "Sporty Days," chances are good you'll spot her at many a H.O.G. rally.

▲ Meet Electra Glide fan Egon Mendel. This 1975 model, which he has owned since new, is his third Electra Glide in 34 years. Egon hails from Cape Town, South Africa, where he says the climate and roads are great for motorcycling. He does his own maintenance and, when he needs replacement parts, imports them from the US.

▲ Marcia Craven-Davenport grew up riding dirt bikes but recently her father bought her this Sportster she fondly refers to as "Piglet." Marcia attended Bike Week in Daytona last March and now she is so Hog Wild, she ordered a 1995 Low Rider. Piglet, she says, will be passed on to her husband.

▲ **Robert "Shafe" Schaeffer** of Skiatook, Oklahoma dreamed of two things: breeding a black Arabian horse and owning a black H-D® FXSTS. In 1990, "Shadow" was born. Two years later, Robert purchased this black and red 1993 FXSTS; that same year, Shadow became a champion. Thrilled with both his live horse and the iron counterpart, his only dilemma these days is which to ride.

▲ From the Swiss Alps comes a photo of H.O.G. member **Tony Bächle** and his 1992 Fat Boy. Tony's love for motorcycles dates back to 1961 when he purchased his first motorcycle. It wasn't until later that he saw a friend's 1956 Hydra Glide and decided he would one day own a similar beauty. Putting his Fat Boy through some cosmetic surgery, he now feels he has a "souvenir" of that Hydra Glide from another time.

If you would like to be considered for this column, simply send a color print or slide of you and your motorcycle and tell us a little about yourself. If you're chosen, we'll send you a special HogTales frame, "Staff Photographer" pin, and six additional issues. If you would like your photo returned, please send a self addressed, stamped envelope. Send to: Hog Tales - Meet the Members at the address on the back cover.

▲ Talk about your low riders, **Alex Stebbins** of Conifer, Colorado sets a new standard of just how low one can go. Pictured here on his... uh, custom red Harley, Alex is a brand new H.O.G. member thanks to his grandfather, Joseph McKnight. Alex has had this same bike since it was purchased new way back in December of '94, six months after his birth. He especially appreciates the design of this model's V-twin, which can go unlimited miles without servicing.

U.S. CHARTER FOR LOCAL CHAPTERS

PREAMBLE

The Harley Owners Group® (H.O.G.®) is an organization founded and sponsored by Harley-Davidson Motor Company. The group was instituted to offer motorcycling benefits and services to Harley-Davidson® enthusiasts throughout the world, and to develop a close relationship between the Harley-Davidson rider, the Harley-Davidson dealer and Harley-Davidson Motor Company.

The opportunity to start an independent chapter affiliated with the Harley Owners Group is offered so as to bring members together for the common interest of promoting local motorcycling activities for members. The goal of each chapter is to generate an increased level of enthusiasm for riding Harley-Davidson motorcycles. The local chapter is intended to be a family-oriented organization.

ARTICLE I - PURPOSE

The purpose of the local chapter is to promote responsible motorcycling activities for Harley Owners Group members by conducting chapter activities and encouraging participation in other H.O.G. events while maintaining a family-oriented philosophy.

ARTICLE II - SPONSORSHIP

Each chapter must be sponsored by an authorized Harley-Davidson dealer, at the dealers discretion. If a dealer decides to rescind sponsorship, chapter affiliation will not be approved for a minimum of three months provided the following is completed.

- Regional Manager must be contacted ten days prior to cancellation.
- A letter explaining cancellation must be sent to the chapter membership 15 days after contacting your Regional Manager with a copy being sent to Harley Owners Group.

ARTICLE III - APPLICATION

Chapter qualification for affiliation with H.O.G. is subject to approval by H.O.G. per the requirements stated in this Charter and the chapter application.

ARTICLE IV - NAME AND AFFILIATION

The Harley Owners Group, a division of Harley-Davidson Motor Company, is the governing body for all H.O.G. chapters. Each local chapter affiliated with the Harley Owners Group is a separate and independent organization providing services to their chapter members on a "not-for-profit" basis.

Each chapter must be approved by H.O.G., adhere to this Charter and Operating Policies and be sponsored by an authorized Harley-Davidson dealer. The affiliated chapter shall be named after the respective city or locale of the sponsoring dealer. H.O.G. reserves the right to approve chapter names.

If, at any time, H.O.G. determines that a chapter is not adhering to this Charter, the recognition of the chapter as a H.O.G. affiliated organization may be rescinded. Dealers may rescind sponsorship of their chapter at any time.

ARTICLE V - OFFICERS

The H.O.G.® office requires that all chapters have the following primary officers and may only have one of each of these officers: Director, Assistant Director, Treasurer and Secretary. Other discretionary officers can be appointed as needed. The sponsoring dealer may assume any officer position(s) including their respective responsibilities. They can also determine how chapter officers are chosen and the length of their terms. Primary officers may assume the duties of discretionary officers when the position is not filled. Below is a description of officer positions for which patches are available.

Section 1. Sponsoring Dealer

The sponsoring dealer has the authority to require the chapter to perform to his standards and is to assure H.O.G. that the chapter abides by this Charter and the Operating Policies.

Section 2. Director

The Director shall uphold this Charter and the chapter by-laws, oversee chapter meetings and coordinate chapter officer responsibilities.

Section 3. Assistant Director

The Assistant Director shall assist the Director in carrying out his/her duties and keeps the chapter membership informed of H.O.G. programs and is responsible for membership orientation.

Section 4. Treasurer

The Treasurer shall be responsible for the collection and disbursement of chapter funds, reporting the financial transactions to the membership on a monthly basis, and submitting to H.O.G. the annual financial statement.

Section 5. Secretary

The Secretary shall be responsible for the administrative needs of the chapter, ensure that all chapter members are current H.O.G. members and, on an annual basis, submit to H.O.G. the Chapter Officer/Address Form, the Chapter Information Form and any other reports as required by H.O.G.

Section 6. Activities Officer

The Activities Officer oversees the administration of chapter events.

Section 7. Ladies of Harley® Officer

An LOH® Officer encourages women to take an active part in chapter activities.

Section 8. Road Captain

The Road Captain(s) assists in planning routes for chapter rides.

Section 9. Editor

An Editor organizes written material for the chapter, i.e., newsletters, press releases, etc., for approval by the sponsoring dealer prior to publication.

Section 10. Safety Officer

The Safety Officer is responsible for providing information relating to the availability of rider training to chapter members.

Section 11. Photographer

The Photographer organizes chapter photos for newsletters, chapter history albums, etc.

Section 12. Historian

The Historian organizes a written account of chapter activities, membership levels, etc.

ARTICLE VI - MEMBERSHIP

All current Harley Owners Group® members may join any affiliated chapter. An expired membership in H.O.G.® automatically excludes membership in a local chapter. It is the responsibility of each local chapter to verify that their chapter members are current H.O.G. members.

If, by decision of the sponsoring dealer, a member's conduct is undesirable, that person's membership in the local chapter may be suspended or revoked.

ARTICLE VII - DUES

Chapters are to be not-for-profit organizations. If determined necessary by the sponsoring dealer, local dues may be established to be used solely for chapter administration.

Chapters may use various legitimate fund-raising or event fees to assist with additional chapter financial needs.

ARTICLE VIII - ACTIVITIES

Chapter events are the sole responsibility of the local chapter. These may include any family-oriented, safe activities that promote a positive image of the sport of motorcycling and that appeal to the chapter membership.

ARTICLE IX - NEWSLETTER

If a newsletter or event flyers are desired by the chapter membership, they must include the official chapter name and number. All information to be printed must be approved by the sponsoring dealer. If, at any time, H.O.G. determines that a chapter newsletter or event flyers are incompatible with the family-oriented philosophies and/or objectives of H.O.G., the chapter recognition as a H.O.G. affiliated organization may be rescinded. A copy of all chapter newsletters and event flyers must be sent to the H.O.G. office.

ARTICLE X - TRADEMARKS

Harley Owners Group

The trademarks HOG, H.O.G., HARLEY OWNERS GROUP and the "H.O.G. Trademarks" are among the many trademarks of Harley-Davidson Motor Company. Trademarks may not be altered in any way.

These H.O.G. Trademarks may be used by the chapter only on printed materials relating to chapter activities. With the exception of newsletters and event flyers, PRINTED MATERIAL using the H.O.G. Trademarks must be submitted to Harley Owners Group for approval prior to any publications. T-shirts, pins and all other items are only to be produced by authorized licensees of Harley-Davidson Motor Company, and must be purchased through the sponsoring dealer or from H.O.G. All other items are limited to those approved by the H.O.G. office. Use of the H.O.G. Trademarks may continue only so long as the chapter operates in accordance with the policies of the Harley Owners Group as stated in this Charter and the Operating Policies. H.O.G. may, at its sole discretion, terminate the right to use the H.O.G. Trademarks at any time upon thirty (30) days' notice in writing, and the chapter will immediately terminate all use of the marks when the notice becomes effective.

The chapter will also provide assistance which is reasonably requested by Harley-Davidson in order to protect the H.O.G. Trademarks in the locality of the chapter.

ARTICLE XI - BY-LAWS

This Charter shall be adopted and serve as operating policy for the chapter and must be made available to all chapter members.

Chapter by-laws, if needed, may not replace, supersede or conflict with this Charter and Operating Policies. The sponsoring dealer and the H.O.G. office must approve chapter by-laws prior to publications or implementation. Once published, a copy of the local by-laws must be sent to all chapter members, the sponsoring dealer and the H.O.G.® office.

ARTICLE XII - AMENDMENTS

H.O.G. may review local chapter developments and needs and may see fit to amend this Charter at any time.

ARTICLE XIII - DISBURSEMENT OF FUNDS

Disposition of chapter assets upon dissolution of the chapter is as follows: After all chapter expenses have been paid, any remaining assets shall be donated to a charitable organization.

ARTICLE XIV - DISCLAIMER

While the local chapter may be affiliated with H.O.G., it remains a separate, independent entity responsible for its actions. All Harley Owners Group® members and their guest(s) participate voluntarily and at their own risk in H.O.G. and H.O.G. chapter activities. The sponsoring dealer, H.O.G. and Harley-Davidson Motor Company and its subsidiaries and local chapter officers are and shall be released and held harmless by the member/guest for any injury or loss to the member/guest or to his or her property which may result from participation in H.O.G. and H.O.G. chapter activities. This means that each and every member of the local chapter and their guest(s) have no ground for legal action against the sponsoring dealer, H.O.G., Harley-Davidson Motor Company, its subsidiaries and their employees for any injury resulting to them or their property.

ARTICLE XV - NATIONAL, STATE, LOCAL LAWS

If any part of this Charter should be invalid for any reason whatsoever under any national, state or local laws having jurisdiction over the subject matter of this Charter, then that part shall be considered deleted from this Charter and the rest of this Charter shall remain valid. Should H.O.G. become aware of any such

Charter problems or other conflicts with national, state or local laws, H.O.G. shall have the right to review this Charter and amend it unilaterally, as required.

ARTICLE XVI - OPERATING POLICIES (U.S. CHAPTERS)

Section 1. Dealer

Authorized Harley-Davidson dealers may only sponsor one H.O.G. chapter.

Section 2. Officer

Officers may hold more than one officer position.

Section 3. Dues

Annual chapter membership dues may not exceed fifteen dollars (\$15.00).

Section 4. Chapter Activities

Chapters must hold a minimum of four closed chapter events per year (to be considered an active chapter). Closed chapter events are those chapter activities which are open only to your chapter members and one guest per member, if desired. Open chapter events are those chapter activities which are open to your chapter members, other national H.O.G. members, and other guests as desired. It is strongly recommended that the appropriate event insurance be obtained for these activities. Activities which are sponsored by the chapter cannot restrict attendance by any chapter member.

Section 5. Membership

In order to suspend or revoke a member's membership in the chapter, the sponsoring dealer must do the following:

- Notify the member in writing of the cancellation of his chapter membership. Give the reason for the cancellation in clear, concise terms.
- Send a copy of the cancellation letter to your Regional Manager.
- Refund the member's chapter dues for the year.

Section 6. Newsletters

Chapters must publish a minimum of six newsletters per year (to be considered an active chapter). Newsletters can consist of any printed material informing the membership of activities, i.e. post card, flyer, multi-page publication, etc. Activities listed in the newsletter must indicate whether it is an open or closed event.

Section 7. Inactive Chapter Status

Any chapter with no events or newsletters for one consecutive model year, will have their chapter recognition as a H.O.G. affiliated organization rescinded. ●
